BUSINESS AND INDUSTRY LEADERS SUPPORT A LEGISLATIVE FIX FOR DACA

Over 800

business and industry leaders sent a letter to congressional leadership on 9/20/17, asking Congress to provide a permanent legislative solution¹³

In an instant, the rescission of DACA would send a message of exclusion that would irreparably harm our institutions' ability to recruit and retain foreign-born students. It would tear at the fabric of our campus communities. Most importantly, it would pull the rug out from under the Dreamers themselves, who have upended their lives—taking out loans, earning degrees, and taking the risk of revealing their undocumented status—in reliance on DACA.⁴
